Keep this form for your records. Write the two-letter code with a team number (for example, your first HOSA Bowl team would be written "HB-1") in the appropriate column for the student competitor on the *Name and Event Registration Form*.

** Denotes competitions that you may only enter a limited number of teams in. The guideline is team number you may enter is less or equal to number of voting delegates. For example, if you have two voting delegates, you may only register two Health Education teams. (This guideline is used because these competitions have no preliminary round of written testing.)
